

official notice: pricing

To: Sappi Customers

From: Deece Hannigan, Vice President Graphics, Packaging & Specialties

Date: March 23, 2022

Sappi North America announces a transactional price increase of **up to 10%** on all new and unconfirmed orders with a shipping date on or after Monday, April 25 on the following products:

- Spectro C1S
- Spectro C2S

The increase applies to all calipers. Standard differentials and upcharges apply.

Please call your Sappi sales representative with any questions.

Thank you for your continued support.
